Hi Carrie – Because Rachel already has an employee level account, it's something ITSD has to handle. If there was no existing account for Rachel, it would be a much simpler process I could walk you through. I sent this to ITSD a while back and I knew they were working on it, but I do not know the current status. I will follow up with today and let you know what I hear back.

Emily,

I'm circling back around to this and following up with you on this again. How should this be handled?

Carrie

Subject: Change of Point of Contact

Hi Emily,

Queen of Peace would like to change their point of contact person from Lara Pennington to Rachel Hobson. Rachel is currently at the employee level, but will no longer need to be once she has access at the subcontractor level.

I can't remember how we need to handle this change. Do I need to do anything on my end?

Thanks!

Carrie
